It winds its way all along the Irish west coast from the Inishowen Peninsula in Donegal to the picturesque town of Kinsale in Co Cork. This route, from start to finish unfolds the wonders of nature, the power of the ocean and its imprint on the west of Ireland. And the stunning countryside in all its diversity. Enchanting villages are nestled along the coast as well as ancient monuments—their origins having long sunk into the mists of oblivion—dot the landscape. Behind every bend on this magical coastal road a new delight awaits.
